IN THE MATTER OF AN	§	BEFORE THE
ENFORCEMENT ACTION	§	
CONCERNING	§

SEWER SERVICE SUPPLY	§	
CORPORATION	§	
RN101453066	§	ENVIRONMENTAL QUALITY

AGREED ORDER DOCKET NO. 2011-0874-PWS-E

At its ______ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding WHITHARRAL WATER AND SEWER SERVICE SUPPLY CORPORATION ("the Respondent") under the authority of Tex. Health & Safety Code ch. 341. The Executive Director of the TCEQ, through the Enforcement Division, and the Respondent presented this agreement to the Commission.

The Respondent understands that it has certain procedural rights at certain points in the enforcement process, including, but not limited to, the right to formal notice of violations, notice of an evidentiary hearing, the right to an evidentiary hearing, and a right to appeal. By entering into this Agreed Order, the Respondent agrees to waive all notice and procedural rights.

It is further understood and agreed that this Order represents the complete and fully-integrated settlement of the parties. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable. The duties and responsibilities imposed by this Agreed Order are binding upon the Respondent.

The Commission makes the following Findings of Fact and Conclusions of Law:

I. FINDINGS OF FACT

- 1. The Respondent owns and operates a public water supply at 102 Brownly Street in Whitharral, Hockley County, Texas (the "Facility") that has approximately 85 service connections and serves at least 25 people per day for at least 60 days per year.
- 2. During a record review conducted on May 13, 2011, TCEQ staff documented that the Respondent did not submit a Disinfectant Level Quarterly Operating Report ("DLQOR") to the Executive Director each quarter by the tenth day of the month following the end of each quarter. Specifically, at the time of the record review, it was documented that the Respondent did not timely submit DLQORs for the second quarter of 2006 through the fourth quarter of 2010.
- 3. The Respondent received notice of the violations on May 25, 2011.
- 4. The Executive Director recognizes that on June 10, 2011, the Respondent submitted DLQORs for the second quarter of 2006 through the fourth quarter of 2010 for the Facility.

II. CONCLUSIONS OF LAW

- 1. The Respondent is subject to the jurisdiction of the TCEQ pursuant to Tex. HEALTH & SAFETY CODE ch. 341 and the rules of the Commission.
- 2. As evidenced by Findings of Fact No. 2, the Respondent failed to submit a DLQOR to the Executive Director each quarter by the tenth day of the month following the end of each quarter, in violation of 30 Tex. ADMIN. CODE § 290.110(e)(4)(A).
- 3. Pursuant to Tex. Health & Safety Code § 341.049, the Commission has the authority to assess an administrative penalty against the Respondent for violations of the Texas Water Code and the Texas Health and Safety Code within the Commission's jurisdiction; for violations of rules adopted under such statutes; or for violations of orders or permits issued under such statutes.
- 4. An administrative penalty in the amount of Nine Hundred Fifty Dollars (\$950) is justified by the facts recited in this Agreed Order, and considered in light of the

factors set forth in Tex. Health & Safety Code § 341.049(b). The Respondent has paid the Nine Hundred Fifty Dollar (\$950) administrative penalty.

III. ORDERING PROVISIONS

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

1. The Respondent is assessed an administrative penalty in the amount of Nine Hundred Fifty Dollars (\$950) as set forth in Section II, Paragraph 4 above, for violations of TCEQ rules and state statutes. The payment of this administrative penalty and the Respondent's compliance with all the terms and conditions set forth in this Agreed Order completely resolve the violations set forth by this Agreed Order in this action. However, the Commission shall not be constrained in any manner from requiring corrective actions or penalties for other violations that are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: WHITHARRAL WATER AND SEWER SERVICE SUPPLY CORPORATION, Docket No. 2011-0874-PWS-E" to:

Financial Administration Division, Revenues Section Attention: Cashier's Office, MC 214 Texas Commission on Environmental Quality P.O. Box 13088 Austin, Texas 78711-3088

- 2. The Respondent shall undertake the following technical requirements:
 - a. Within 30 days after the effective date of this Agreed Order, the Respondent shall update the Facility's operational guidance and conduct employee training to ensure that self-reporting requirements are properly accomplished, including the timely submittal of signed and certified monthly DLQORs, in accordance with 30 Tex. Admin. Code § 290.110.
 - b. Within 45 days after the effective date of this Agreed Order, submit written certification as described below, and include detailed supporting documentation including photographs, receipts, and/or other records to demonstrate compliance with Ordering Provision No. 2.a. The certification shall be notarized by a State of Texas Notary Public and include the following certification language:

- 3. The provisions of this Agreed Order shall apply to and be binding upon the Respondent. The Respondent is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Facility operations referenced in this Agreed Order.
- 4. The Executive Director may grant an extension of any deadline in this Agreed Order or in any plan, report, or other document submitted pursuant to this Agreed Order, upon a written and substantiated showing of good cause. All requests for extensions by the Respondent shall be made in writing to the Executive Director. Extensions are not effective until the Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.
- 5. The Executive Director may refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings without notice

- 7.
